

CHATBOX BY SILEN

Acoustic hubs

Every open space deserves a Chatbox for deep work,
private calls or a creative session.

A silent space for creativity to flourish

Affordable, yet sleek, high-quality design to support your ideas in reaching their full potential

Quattro

Sound proofing

Offering acoustic and privacy solutions, Chatbox acoustic hubs are up to 34dB lower than outside the hubs when measured on-site.

Easy to assemble

Installation takes only 1 hour for Chatbox single, 2 hours for Duo and 3 hours for Quattro. You just need the help of a friend and 1 tool.

Carbon neutral

Carbon Neutrality is achieved by calculating a carbon footprint and reducing it to zero through in-house efficiency measures.

2-year warranty

Every Chatbox comes with a warranty of 2 years. The warranty period starts on the next day after your Chatbox has been delivered to you.

Quality guaranteed

Chatbox is certified under the premier UL 962 standard and also passed the ASTM E84 standard receiving Class A in fire resistance.

Chatbox Single

Everything you need for a private conversation or a space to focus on your own

Designed and developed by industry-leading acoustic experts, the Chatbox telephone booth is adequate for one person and they are the perfect peaceful environment for phone calls away from the noise and distraction. The sleek, modern design is carefully crafted to provide impeccable form, function, design and durability, offering next generation privacy for a new normality.
