## Overview

Introduction

GO Steel products are designed and manufactured to meet British standards for today's industry.

Competitive prices and high quality are trade marks of the Go steel storage range.

All GO products are manufactured using the latest production techniques and machinery, superior steel and parts for strength and durability.

All products come with a 10 year warranty.

steel storage

## Features & benefits

1

GO Filing Cabinets are available in two, three and four drawer options.

Every drawer has 100% extension opening to maximise filing space.

Anti-tilt locking device is fitted to every cabinet to avoid a second drawer being opened.

Each drawer has high sides to provide additional strength and allows support for foolscap suspended filing.

2

GO Cupboards offer an economical solution to today's storage and filing requirements.

They are available in three heights with double doors that open through 180 degrees, allowing the use of roll out fittings.

The cupboards are fitted with a two point locking system and a flush handle lock on the right hand door.

Supplied with shelves as standard.

3

Go Tambour units offer a flexible solution to space saving storage requirements in the office environment.

Available in four heights and a choice of colours.

Each unit is fitted with a finger grip handle and two point locking system. Full length magnetic slam rails keep the doors firmly closed.

Supplied empty.

GO Filing Cabinets have been tested to:  
BSEN4875 (1998) Part 7 to test level 4  
BSEN5459 (1983) Part 3 to test level H  
BSEN4875 (1998) Part 8

GO Double Door Cupboards have been tested to:  
BSEN4875 (1998) Part 7 to test level 4  
BSEN4875 (1998) Part 8

GO Side Opening Tambour Units have been tested to:  
BSEN4875 (1998) Part 7 to test level 4
