

# Reception

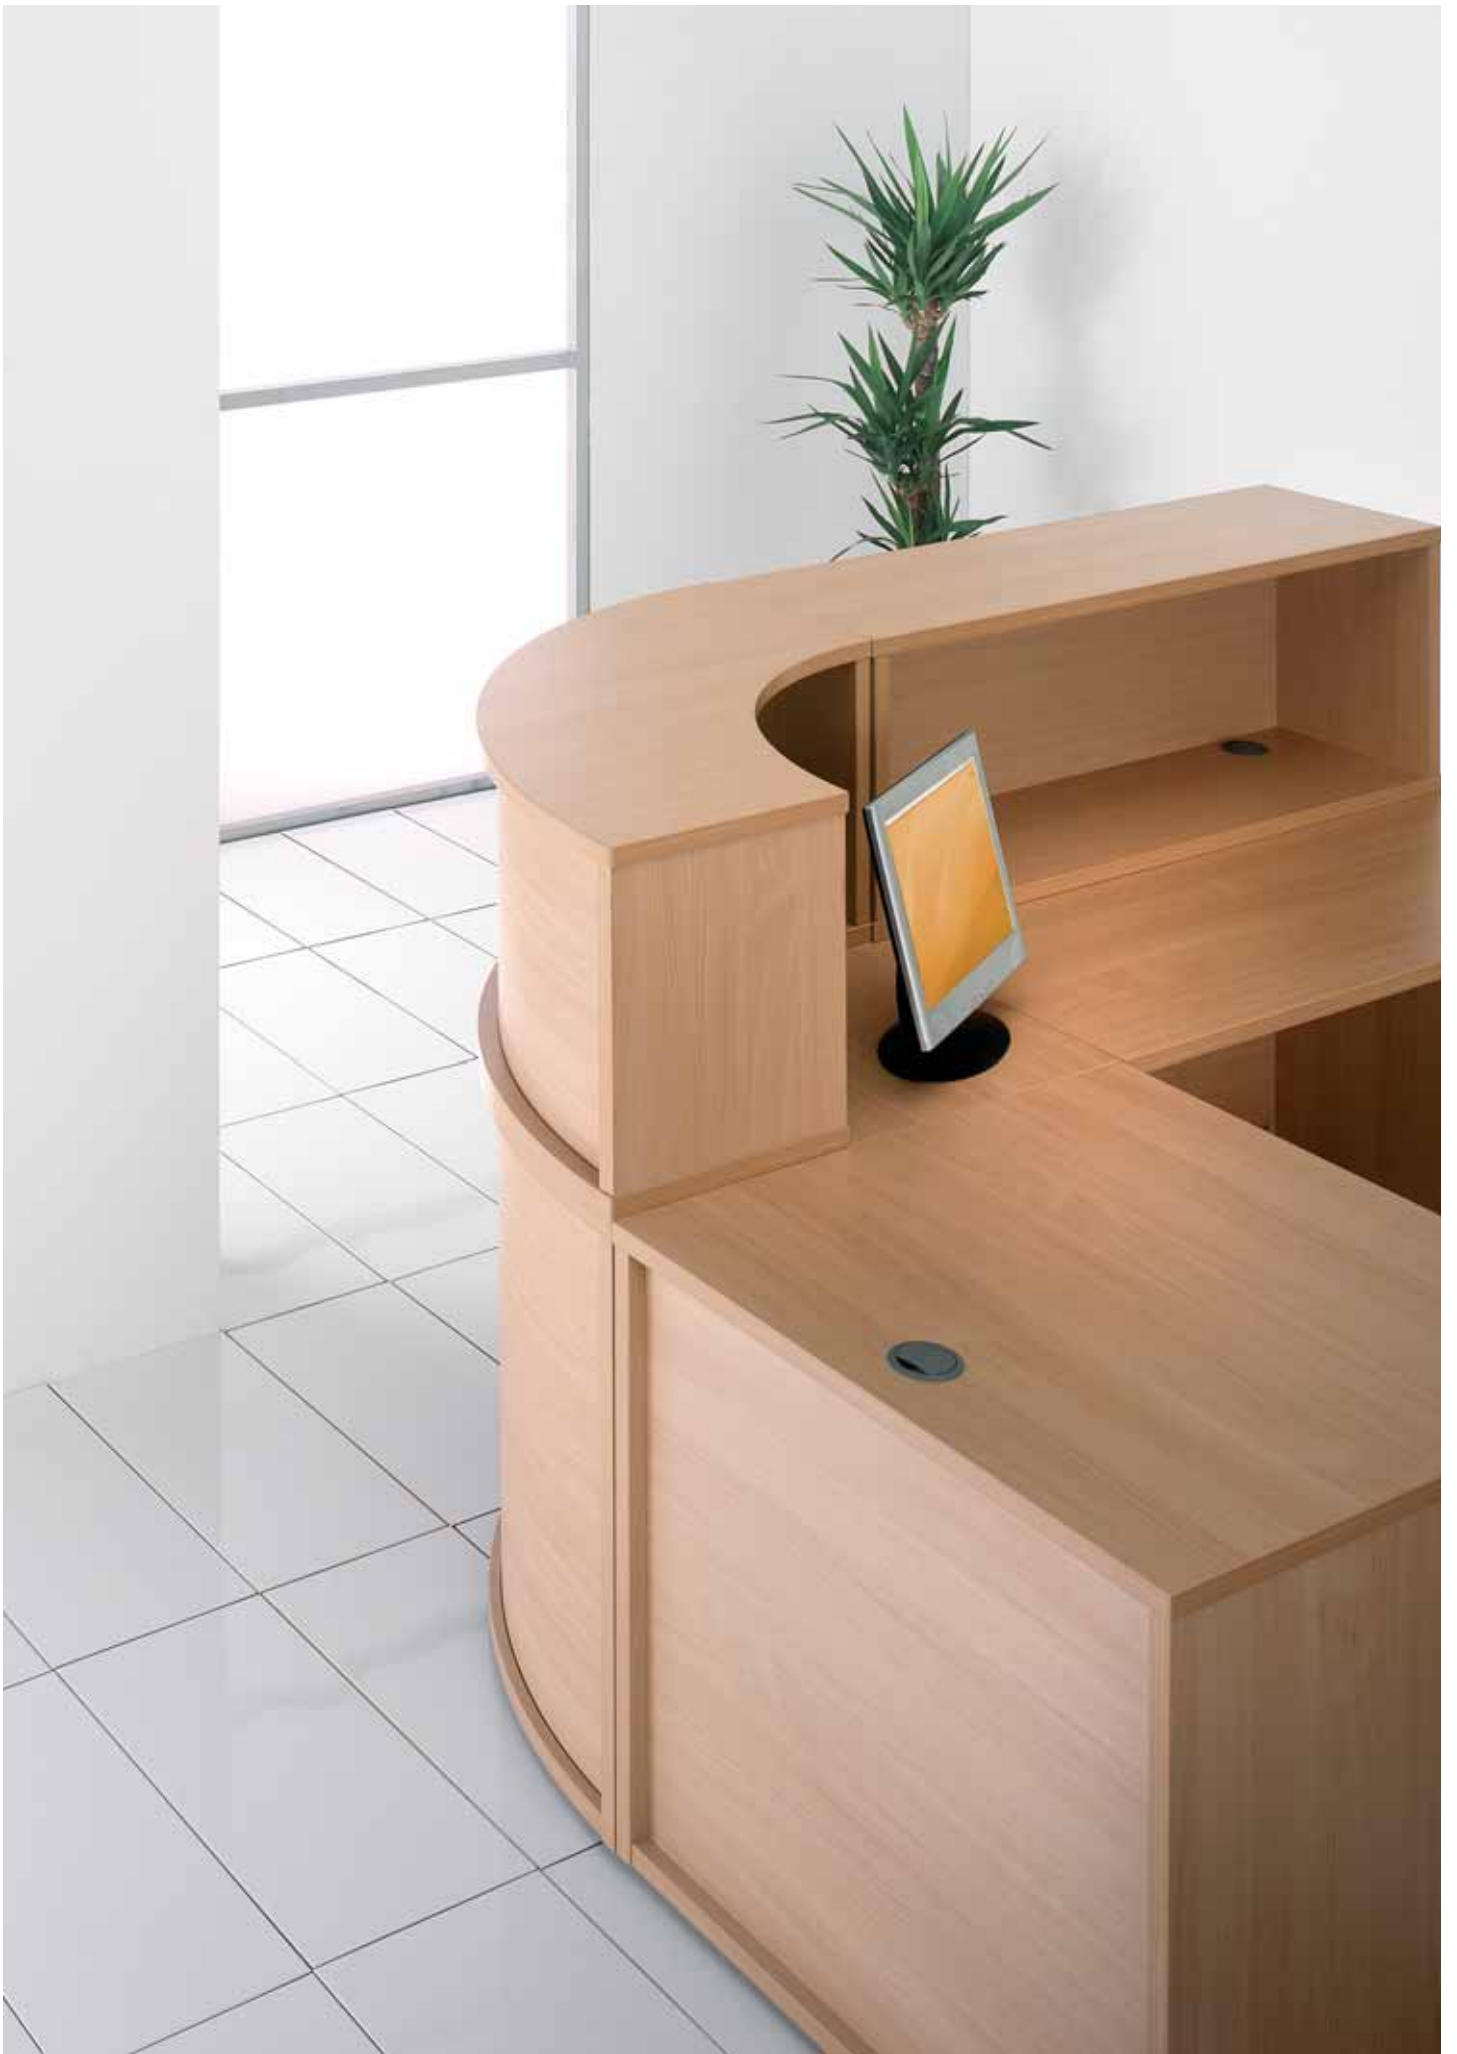

denver / colorado

Two distinct modular reception units. The denver range allows multiple reception configurations to be created using desks and hutch to create the right look and style for any reception. The colorado range is simple yet unique in its appearance.

## Overview

Introduction

**Denver** complete modular reception unit that can be arranged in a variety of configurations with the desk and hutch units.

Available in a beech finish either as a straight desk or corner unit with matching hutch, in a scratch resistant finish.

The cable ports link up between the top and base units.

MFC board sourced from FSC Certified Supplier.

**Colorado** reception unit is available in Beech (B), Maple (M), or Oak (O). Optional return desk for more working space.

MFC board sourced from FSC Certified Supplier.

# Denver

modular reception
